Welcome to our Open Day! Today is the perfect opportunity to find out everything you need to know about studying at the University of Westminster. Ask questions and get information about your chosen course, tour the campus and speak with current students who can give you insight into student life at Westminster. This programme will allow you to plan your day and make the most of your visit. If you need any help, please ask one of our friendly ambassadors wearing yellow t-shirts.

WELCOME TALK

Our staff will give you a general introduction to the university and the school in which your course is delivered.

COURSE PRESENTATION

These sessions are course-specific talks that are delivered by our course leaders or academics. You can gain insight into the course you want to study and ask any questions you may have.

CAMPUS TOURS

Take a tour of the campus with a current student who will give you a real insight into student life at Westminster. You will be able to see various student spaces, including the library and social areas, as well as other facilities that this campus has to offer.
